

Environmental Education? Children's Play Areas? Native Vegetation Restoration?

Trail Connections? Improved Vehicular and Pedestrian Access? Fire Safety?

HELP IDENTIFY A VISION FOR SHEPHERD CANYON PARK!

Join us for two Community Workshops to develop a Concept Plan and future Master Plan for this 34-acre open space asset.

Community Workshop I

Assets/Challenges/Vision

Saturday, September 6, 2003

9:30 am - 12:00p.m.

Montera Middle School, Main Auditorium
5555 Ascot Drive, Oakland

Pre-workshop walking tour 8:30 - 9:30 am
(meet at Shepherd Canyon Park parking lot)

*What do you value about the park now?
What changes would you like to see?
What is your longterm vision for the park?*

Community Workshop II

Improvement Action Priorities

Wednesday, October 8, 2003

6:00 - 9:00 pm

Montera Middle School, Main Auditorium
5555 Ascot Drive, Oakland

*Identifying and prioritizing
steps to implement the vision set
forth in the first workshop.*
